

## LEA VILLAGE HALL

HALL HIRER'S RESPONSIBILITIES WITH  
REGARD TO THE USE OF PLAY INFLATABLES

**PLEASE NOTE: PLAY INFLATABLES MAY  
ONLY BE USED WITH THE EXPRESS PERMISSION OF THE COMMITTEE!**

**Bouncy castles are great fun but there is a real risk of injury.  
Please ensure the safety of all by following these instructions.**

### Setting up

- ❖ Follow the operating manual instructions for safe operation.
- ❖ Do not use outside in winds over 24 mph (force 5, small trees in leaf swaying).
- ❖ Use all anchor points and ensure they are visible and covered.
- ❖ Ensure ropes are in good condition.

### Before use, check that:

- ❖ the inflation pressure is as specified in the manual;
- ❖ there is no damage to the fabric or seams;
- ❖ the connection tube and blower are firmly attached;
- ❖ the anchor points are firm;
- ❖ impact-absorbing mats are in position.

### In use, ensure that:

- ❖ there is constant supervision by a responsible adult;
- ❖ the number of users at any one time is within the limit stated in the manual;
- ❖ the recommended user height limit is not exceeded;
- ❖ bigger children use the item separately from smaller ones;
- ❖ very young children (eg under 2 years old) are excluded;
- ❖ there is no overcrowding;
- ❖ users remove shoes and glasses and empty their pockets;
- ❖ there is no climbing or hanging onto the walls of the inflatable;
- ❖ the anchor points remain secure.
